

School of Engineering

ANANTHA P. CHANDRAKASAN

Dean of Engineering

Vannevar Bush Professor of Electrical Engineering and Computer Science

June 28, 2021

Mr. Aaron Michael West Jr.
189 Vassar St,
Apt 4127,
Cambridge, MA, 02139

Dear Mr. West Jr.,

I am delighted to announce that you have been selected for the 2021-2022 Ben Gold Fellowship. The Ben Gold Fellowship Fund was established in 2020 and provides graduate student support in the School of Engineering. Among Dr. Gold's many accomplishments he is widely acknowledged as one of the pioneers of the field of Digital Signal Processing.

You have been selected to receive this prestigious award in recognition of your outstanding academic record, exceptional background, and promising future. This fellowship will provide academic year support for tuition, stipend, and health insurance. If you have any questions, please contact Ms. Saana McDaniel. She can be reached at saana@mit.edu.

Please accept my congratulations.

Sincerely,

Anantha P. Chandrakasan

Dean, MIT School of Engineering

Vannevar Bush Professor of Electrical Engineering and Computer Science
